To whom it may concern:

I am here recommending to everyone George Maxson of George Maxson Painting. His services extend beyond his craftsmanship of quality painting. A plumbing problem at my house required the plumber to cut a two foot by three foot hole in the front of our house. George came out, gauged the work, got me a quote and put me on his schedule quickly. When rain rescheduled our appointment, George kept in constant contact.

Over three days, the hole in my house was filled, patched, stuccoed and painted. George was there to oversee the entire project from beginning to end, making sure the work was perfect. With an artistic craftsmanship, George's specialist matched the stucco pattern and then matched the aged paint shade of our house as well.

George went well beyond my expectations with the quality and value of his services. He and his crew are efficient, talented and extremely professional. Feel free to contact me anytime in my personal referral of George Maxson Painting.

Sincerely,

Joe Howard
