Maxson Painting

PMB 419 3875-A Telegraph Rd
Ventura, CA. 93003

Dear George:

My wife and I just want to thank you again for the outstanding job you did in painting the exterior of our house.

From beginning to end, you and your crew were courteous, competent, professional and neat in every detail. We were particularly pleased with the prompt reply to our initial phone call and the detailed proposal that you sent to us.

Your price was very competitive, and the job was worth every penny. Again our sincere thanks!
