To whom it may concern: This letter is a recommendation regarding Maxon Painting. George Maxon, and crew, painted our home in June 2003. It was a four-week, complete interior job, which was by far the best experience we have ever had with any contractor.

George and his crew are extremely professional, honest, neat, timely, and good-natured. My wife and I would highly recommend Maxon painting for your future interior or exterior needs. In the past my wife and I have experienced quite a few building-painting projects. George and his crew are by far superior to any painting company we have ever hired.

If you would like to ask us any questions regarding our experience, please feel free to call me. My phone is 805-648-6981.

Sincerely

Mark and Erin Ellison
